

Malvern Library is happy to announce we are opening with limited hours on Saturdays starting September 12 from 10am – 2pm for Grab N’ Go browsing only. While you may not be able to use our computers or reading room, you will be able to come in and select items to borrow or pick up your holds without a reservation. Please take a moment and read our guidelines for reopening.

All patrons must wear a mask for entry (children under the age of 2 are exempt)

Capacity will be limited, please be considerate of others wishing to enter the library.

Computers, reading room, and study tables are not available for use at this time.

Browsing in the children’s library will be limited and toys will not be available for play.

In addition, the Chester County Library System app now has a self-check out feature for contactless transactions. If you have the app make sure it is updated, if you don’t have the app, be sure to download it today.

We are excited to see everyone again and we are looking forward to September 12!
